Location (same place but new building!)

Porreres is a small village on Mallorca in more or less equal distance from the next bigger towns Llucmajor, Campos and Felanitx.
It is a picturesque quiet little village which is the perfect spot to fully recharge. This is what Mallorca used to be without the overbooked hotels and masses of tourists yet it is only 20 km away from Palma.
Very close to Sanau retreat center you have Santuari de Monti-Sion, 245 m above sea level. From here you can enjoy a spectacular view over the flatlands of Es Piá.   This is the perfect area for hiking, horseback riding, biking and many other outdoor activities. Not far away there are also some great golf courses and beautiful beaches.   From Palma airport it takes about 20 minutes to get to Sanau.

Directions

From the airport take the highway direction Manacor, up to Porreres. Drive past the exit Algaida and Montuiri until the exit to Porreres. Leave the highway in direction to Porreres until you reach a roundabout just before the entrance to Porreres. Here go ahead to Campos / Montesión. Take the first exit direction monastery / Sanctuario Montesión. Finca Sanau is the first finca on the right hand side with stone walls and an entrance full of oleander and cipreces.
